Sailing is by nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure to themselves, their crew, their boat to such inherent risk whilst taking part;

- (g) Their boat is adequately insured, with cover of at least £3,000,000 against third party claims.

8 CONDITIONS OF ENTRY

- 8.1 The safety of a yacht and her entire management shall be the sole and inescapable responsibility of the owner/competitor racing the yacht, who must ensure that the yacht and crews are adequate to face the conditions that may arise in the course of the race. Neither the Organising Authority, its officers employees or agents nor the Race Committee shall be responsible for any loss, damage, death or personal injury howsoever caused to the owner/competitor, his skipper or crew as a result of their taking part in the regatta.
